PRESS RELEASE

IL 159 in Edwardsville

Location – IL 159 from Troy Road to Magnolia Street in Edwardsville

The Illinois Department of Transportation today announced that IL 159 will be intermittently restricted to one lane between Troy Road and Magnolia Street beginning on May 15, 2016, weather permitting. This work will take place nightly from 7:00 PM to 6:00 AM and is necessary to construct a thin asphalt surface on the roadway. This work is expected to be completed by July of this year.

The Department asks that motorists be patient, reduce speed, obey all warning signs and use additional caution when traveling near and throughout this work zone.

The General Contractor on this project is A.C. Pavement Striping of Elgin, IL. John Adcock is the Supervising Field Engineer for the Illinois Department of Transportation. If you have any questions concerning this project, you may contact him at 618-346-3352.
